

FABRICATION SERVICES

EXPERIENCED. EFFICIENT. EFFECTIVE.

From the extreme conditions of North Slope, Alaska, to Mid-Continent onshore operations, to shelf and ultra-deepwater offshore environments, GIS is equipped with the experience and the tools to meet our clients' global fabrication needs--and do so in the most effective, efficient manner possible. With five strategically-located Fabrication facilities and one additional Shorebase, project components can be completed at the most efficient location, and receive final fit-up on land, or utilize our Offshore crews for onsite field installation. GIS utilizes MODS digital solutions to also guarantee the most precise fit up of both spool piping and structural components as well as offer live data feed through the MODS Material and Fabrication tracker capabilities.

SAFETY

LIFE is the proactive, operational, and behavior-based component of GIS's comprehensive safety management program. While our Corporate HSE group focuses on compliance, training, and incident response, the LIFE processes specifically cover Operational Safety, through: comprehensive work planning; increasing awareness of work area & task risks; intervention techniques for redirecting at-risk behaviors; embedded field presence; quarterly initiatives focused on observed areas of risk; and visible leadership engagement all while encompassing the Human Performance Improvement Principles.

PEOPLE

GIS employees are at the heart of our business. We are committed to developing and sustaining long-standing relationships with both our internal and external clients. Each employee is committed to excellence and continuous improvement. We understand the personal component of our business and are built upon core values that drive a partnership-minded approach to providing valued solutions to our clients while understanding our clients' operations, goals, and bottom line drivers. Our people believe greater value is created by aligning our goals with those of our clients and striving for innovation and excellence with every opportunity.
